

Come to a meeting of Freedom 90, the Union of Food Bank and Emergency Meal Program Volunteers

- Are you concerned that you see more people coming to food banks and emergency meal programs in Ontario communities. (More than 400,000 households per month visit food banks.)
- Do you feel that what used to be termed a “food emergency” has become normal?
- Do you believe that food banks and emergency meal programs do not, and never will, meet the basic needs of people in our communities with low incomes?
- Do you believe every resident of Ontario has the right to health and dignity, including enough income to pay the rent and buy food?
